

## **How Would You Use \$4,000 to Help Build The Neighborhood of Your Dreams?**

Over \$23,000 Available in Neighborhood Small Grants for the SE Uplift Coalition Area

Calling all dreamers, makers, and world-changers: do you have a small but powerful idea for strengthening your neighborhood? Perhaps you want to revive a forgotten city tradition? Host a civics workshop? Organize a tenant rights forum? Paint an intersection mural? Create a community garden?

### **SE Uplift Wants to Help You Make It Happen!**

SE Uplift invites ordinary Portlanders like you to shape and create your neighborhood by applying for a Neighborhood Small Grant. Grants range from \$300-\$4,000 and are intended to spur small, grassroots community efforts aimed at connecting and engaging residents, building community capacity, improving neighborhood livability, or increasing community impact on public decision making. Through this grant you can tap into your creativity and leadership to develop projects that improve your neighborhood.

### **Learn How**

Grant information workshops will be held at SE Uplift (3534 SE Main St) on Saturday, November 15th from 10am to noon and Wednesday, November 19th from 7 pm to 9 pm. They are a great opportunity to learn more about the application process, get feedback on project ideas, and network with others. Applications for Neighborhood Small Grants are due by January 5th, 2015. For more information and to RSVP for a workshop, visit
