AGENDA & NOTES

- **Introductions**
- **Police Report**
 - Sargent Mark Kidman represented for the MPD
 - Incident near the Waldorf school with someone chasing some teenage girls; after investigation it was not an adult but another minor and a misunderstanding
 - Heighten scrutiny and patrolling over the roadways with summer here; 2 motorcycles out on regular patrolling
 - Stabbing that occurred near the Axletree apartments on 6/6/24; no threat to the public; investigation ongoing
 - Another stabbing near the highway but not a lot of details with the active investigation; no threat to the public
 - Website available on for the Police Department to check out the type of calls coming in; trying to get a mapping system to further increase transparency
 - One of the Detectives is currently training with a new K-9 (Flora) unit; primarily an electronics detection canine; they will also support as a comfort dog. Follow her on IG @k9flora.
 - Question was raised by one of the attendees on the status of a domestic disturbance which was called in on 6/10. TBD, Sgt. Kidman will follow up directly with an update.
- **Public Comments**
 - Attendee raised a question on the hillside development; are the roses going to be saved and incorporated into the development; to date the

developers have agreed to retain the trees

- Open item: Chris to send contact information to Avery follow up on options for rehoming the roses
- **Presentation - 29th Greenway plan update- Jeff Tolentino**
 - Josh and Jeff from the City Engineering Department presented on the plan for the 29th Greenway and Harvey Development
 - **29th Greenway Update**
 - Went to city council last month and has been approved
 - Materials shipment on the way and work will begin soon
 - Solutions discussed:
 - Post new signage between Balfour and Van Waterway to draw attention to the Greenway boundaries
 - 100 feet prior to each intersection
 - Will be posted first before the pavement markings
 - Installing additional pavement markings for Bicyclers and Pedestrians on select intersections of 29th – More clarity to the fact this is a shared roadway
 - Temporary yard signs for NDA to take home – future plans to pass these out
 - *Open Item:* Engage advocates of the 29th Greenway project pass out the yard signs to their neighbors
 - Question raised – Plans to adjust the current stop sign?
 - No plans to remove or change the current stop sign on Roswell & 29th
 - Question raised – What are the plans for an assessment post implementation of these changes?
 - No plans currently, but propose an additional traffic count and speed in Fall 2025 – Jeff took a note to include in the Fall planning
 - Traffic count was done previously and can serve as a benchmark
 - Question raised – What is the best process to flag if people are not adhering to the Greenway changes?
 - Suggestion is to file a police report to capture the relevant data for the city engineers; helps build the case for additional enhancements
 - Reminder you can always use the non-emergency line

- *Open item:* confirm this with the police dept and city engineers for best tracking methods as there is misalignment.
- Alternate option – Email the engineering@milwaukieoregon.gov team
- Attendee raised the comment that people need to feel safe on the Greenway to promote the intended usage
- **Harvey Street Improvements:**
- Largely roadway improvements but also includes multiple improvements including:
 - Paving the majority of 42nd by the end of the project
 - New sidewalk from Water Tower Park to 32nd street
 - Changes to the road to slow traffic down on Harvey
 - ADA ramps installed for greater ADA compliance
 - Flashing beacon walker signals for pedestrians Roswell and 42nd near the Roswell Market
 - New manholes and catch basins for storm drainage improvements
 - Water improvement: potential for short term water shutoffs for residents as part of a new main being installed
 - Sewer work but not anticipating any sewer shutdowns
- In design now and bid for contracts in Winter/Spring. Tentative timeline for improvements is Summer 2025.
- Biggest impacts are gravel roads while Harvey is being re-paved
- Question raised - additional signs or marking for bicyclists?
 - Not included in this project but can be considered for a future project.
- *Open Item:* proposal – Link to the project page on the website and build some FAQs once the project gets underway
- **New Business**
 - **Update on Portland District Coalitions**
 - Petition with the other 4 SE neighborhoods to remain in Uplift was denied by Portland City Government
 - Portland city claimed it did not meet their policy goals and was against the will of voters
 - Sentiment was there was likely not a lot of recourse; they
