Please come support your newest neighborhood park at the Ardenwald/Johnson Creek Neighborhood Plant Sale on Sunday, May 22nd from 11:00 a.m.- 5:00 p.m. at 3012 and 3026 SE Balfour Street. In partnership with the Milwaukie Parks Foundation (MPF), the plant sale is a fundraiser for the new, but undeveloped neighborhood park on Balfour Street.

To date, we have raised over \$15,000 towards the development of the park, and the master plan has been reopened for input this year, with construction slated for 2024, but a lot more money needs to be raised!

Plants for the sale have been donated by your neighbors, and there are many native plants, grasses, trees, shrubs, perennials, annuals, herbs, and veggie starts that are waiting to go home with you. Please contact Lisa at (503) 754-1655 if you have any questions, have plants to dig or divide, or would like to help.
